COMMENTS OF PALMER RADIO, LLC

1. Don R. Davis, as the licensee of FM radio broadcast station KQEO, Channel 264A, Grants, New Mexico, has requested the reallocation of Channel 264A from Grants to Milan, New Mexico, and the modification of the station license to specify Milan as the city of license. On March 19, 1999, the Commission released its notice of proposed rule making (MM Docket No. 99-75, RM-9446, DA-99-502), proposing to amend the Table of Allotments, Section 73.202(b) of the Commission's Rules, to delete the allotment of Channel 264A from Grants, New Mexico, and add an allotment of Channel 264A to Milan, New Mexico. In this Notice, the Commission requested comment from the public on its proposal. These comments are responsive to that request.

2. On April 15, 1999, Mr. Davis joined Palmer Radio, LLC ("Palmer") in submitting an application, on FCC Form 314, requesting the consent of the Commission to assign the license of station KQEO to Palmer. The parties anticipate that the assignment is likely to close before the effective date of a Report and Order changing the Channel 264A

allotment from Grants to Milan. Once the allotment change is made, Palmer hereby commits to operate station KQEO in Milan beginning on such effective date. If the rulemaking change predates the closing, Palmer will operate KQEO in Milan from and after the date of the consummation of its acquisition of the assets of KQEO.

3. In view of the foregoing, Palmer urges the Commission to issue a Report and Order effectuating the proposal described in the rulemaking notice in this proceeding.

Respectfully submitted,
